Dear Friends in Christ:

Bonnie and I send you greetings in the name of Christ, the Name that is above every name. We are especially grateful for his love and watch care over us during this past year of pandemic. The virus has been very close to us but we have been spared the suffering that it has brought to many people. We know in our heart that a major part of His loving care of us has been expressed through you that pray and financially support us.

We are happy that ministry opportunities are opening up for us once again as churches are able to have more meetings. This weekend we will be with the Sonshine Baptist Church in Port Charlotte, Florida. This will be our first meeting with Pastor Hardy and his people. I am excited and look forward to getting to know them.

Our prayer request would be for more ministry opportunities and the spiritual power and physical strength to do what He desires. On a positive note, all of our doctor visits and checkups seem to show no real issues for us at this time. Thank you for accompanying us on this journey.

In Christ,

Ed and Bonnie Gibson
